

#9 CHRIS STACK 2019

FC UNITED / LASALLE COLLEGE HS

OBJECTIVE

I am graduating in June of 2019 and I am interested in playing soccer in college at the Division I level where I will be challenged both academically and athletically. I would like to major in business and or sport's management. I am looking for a small school that will give me a well-rounded education. I am hoping to find a program where I will have the opportunity to contribute immediately.
